Sancton Parish Council

Internal Audit Report for the year ended 31 March 2018

Introduction

Part 2, paragraph 5 (1) of the Accounts and Audit Regulations 2015 imposes a duty on Local Councils to "undertake an effective Internal Audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance".

Internal audit is a key component of the system of internal control. The purpose of internal audit is to review whether the systems of financial and other controls over a council's activities and operating procedures are effective.

At the request of the council I have conducted an Internal Audit review of the council's accounting records in respect of the financial year ended 31 March 2018. I have acted independently and, on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in place during the financial year.

The audit has been carried out in accordance with the council's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions and recommendations have been recorded in the table below.

Prioritisation of recommendations

In accordance with good internal audit reporting practice and the Governance and Accountability for Local Councils Practitioners Guide, the recommendations contained in this report have been prioritised. The following 'traffic light' system for the prioritisation of recommendations Page | 3 has been adopted:

- Significant weakness in internal control requiring urgent attention.
- Moderate weakness in internal control requiring attention within the current year.
- Minor weakness in internal control, or matters of good practice the council may wish to consider, to be addressed within the current year.

		It is noted that a separate account has been maintained for s.137 expenditure. No expenditure has been coded to this statutory power during the year however. The two signature rule has been observed by the council and evidenced by the cheque counterfoils being initialled by two signatories.	Pa
		 Recommendation It should never be assumed that registration for VAT purposes means that <i>all</i> value added tax can be recovered. Owing to the complexity of VAT legislation, it is recommended that advice be sought from HMRC when any new projects are undertaken, significant capital expenditure is being considered or any new matters arise. 	
4	Has the council assessed the significant risks in delivering its activities and services and regularly reviewed the adequacy of these assessments?	Assessment of significant risks Findings The council's Risk Assessments were reviewed and approved by council on the 19th June 2017. The council maintains detailed Risk Assessments for the Houghton Lane Play Area and the Back Field, Village Field, the pond (including the village pump), Gravel Pits, two cemeteries, financial and general Management and Assets. The assessments were reviewed and updated during May and June 2017.	-
	Is insurance cover appropriate and adequate? Are financial controls documented and regularly reviewed?	Regular inspections of council sites take place throughout the year and reports are presented to each council meeting. The Play Area is monitored weekly by a councillor and annually by an independent company. Inspections are reported to council monthly and remedial action is taken as necessary. The Play Area weekly monitoring is recorded on Play Area Checklists. The checklists include provision for the recording of action taken and date completed.	
		I have reviewed the council's insurance cover and confirm that the levels of indemnity provided by the policy are adequate. The council's electronic records are protected by backing up electronic information hourly onto UK based	
		cloud storage and monthly to external hard drives, one of which is always stored offsite. I am not aware, however, of the arrangements the council has in respect of the holding and storage of Neighbourhood Watch and volunteers' electronic information to ensure that it complies with both UK Government and the

		 On the 25th May 2018 the General Data Protection Regulation (GDPR) will come into effect. This applies to all Town and Parish Councils. The council should, therefore, prepare to comply with the Regulation by: Undertaking an audit of all personal data held including staff, councillors and the public. Appointing a Data Protection Officer who has sufficient skills and knowledge about the GDPR and other Data Protection laws to adequately discharge the role. 	
		More information can be found on the Information Commissioners website, ico.org.uk. The site has links to two useful guides, "GDPR: 12 steps to take now" and "Getting ready for the GDPR checklist"

	Has progress against budget been regularly monitored and reported?	Detailed budget monitoring reports are presented to each council meeting and are signed by the Chairman.	
	Are reserves adequate and appropriate?	Year end balances were £21,479 as at 31/03/18. The balances comprise an earmarked reserve of £4,500 and general reserves of £16,979. General reserves equate to 130% of the 2017/18 Precept which is considered to be high for a council the size of Sancton.	
		 Recommendation The council may wish to consider increasing its earmarked reserve for the car park, thereby reducing the general reserve to less than the annual precept.

The number on this page duplicates the number on the previous page.	
		 Recommendation The number on the second page of the minutes of the meeting held on the 22nd May 2017 should be amended and initialled by the Chairman in order to comply with legislative requirements. 	

Executive Summary

The accounts and governance arrangements of the council has been maintained to a very high standard and the assistance of the Clerk of the council in the completion of this audit was much appreciated.

The internal financial control environment within the council is good and the adoption of the above recommendations will serve to further enhance and strengthen the systems, procedures and governance arrangements already in place.

The Internal Audit has been conducted in accordance with the Governance and Accountability for Local Councils – Practitioners Guide 2016.

I confirm that I have no relationship or interest, financial or otherwise, with any member or officer of the council.
